

Lone Oak Elementary School

7314 Lone Oak Road
Spartanburg, SC 29303

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: K-5 Elementary

Enrollment: 378 students

School Phone: 864-503-9088

School Website: <http://loe.spartanburg6.k12.sc.us/>

Principal: Keith D. Burton

Superintendent: Dr. Darryl Owings

Board Chair: Rev. Kevin Harrison

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by... Providing rigorous language and math instruction based on our state's College and Career Readiness standards. Reading is the gateway to success; therefore, we focus on student achievement and engagement in ELA to increase fluency and develop literacy skills by increasing time for independent reading and differentiating instruction to teach reading and math. Additionally, students are exposed to a variety of integrated science, technology, engineering, and arts concepts. Tutors collaborate with teachers to provide reading and math support for students. Students participating in the afterschool and extended school year programs receive further academic enrichment. Technology is used to help students develop world class skills. Mobile devices provided by our district, as well as devices brought from home, enable students to communicate and express their creativity and innovation through use of programs such as It's Learning, Padlet, and Active Inspire. Instruction is designed to inspire the development and sharpening of critical thinking, collaborative, and problem solving abilities. Students display life and career characteristics and increase their global perspective by helping others in the community. Collection activities such as canned food drives and fundraising for organizations such as the Greenville Children's Hospital, American Cancer Society, and American Heart Association help students learn how their efforts benefit others locally and globally. Our guidance program and district's bullying prevention initiatives help students develop integrity, perseverance, and intrapersonal life characteristics. A focus on career exploration exposes students to information and opportunities necessary to develop plans for successful career endeavors. We nurture the development of positive life characteristics by helping students develop pride in their work, school, community, and in themselves. We embrace cultural diversity, recognize and respect individual differences of others. Lone Oak's outstanding staff, students, parents and district administration work very hard to establish and maintain a positive learning environment that supports, encourages and celebrates student achievement and promotes college and career readiness. By working together, we cultivate the skills necessary to "Roar with Success and Pride" in a world class society. Mr. Keith D. Burton, Principal Mrs. Darlene Matthews, SIC Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing

KNOWLEDGE

The SC Palmetto Assessment of State Standards (SCPASS) was given to students in grades 4 - 8 in Spring 2015. Students were assessed in the subject areas of Science and Social Studies.

Science**Social Studies****Science SCPASS**

Our School: Percent Met and Above for each grade level

4th grade	5th grade
50.8	57.1

Social Studies SCPASS

Our School: Percent Met and Above for each grade level

4th grade	5th grade
78.0	75.0

Note: Results include SC-Alt assessment results.

Exemplary

"Exemplary": student demonstrated exemplary performance in meeting the grade level standard.

Met

"Met": student met the grade level standard.

Not Met

"Not Met": student did not meet the grade level standard.

Elementary Schools with Students Like Ours are elementary schools with poverty indices of no more than 5% above or below the index for the school.
